Fall colors in Brunnsbo

October–December 2012 Newsletter

www.brunnen.cc

What's been going on:

In October we organized an fall conference in cooperation with four other congregations from four different denominations. It is so good to see Christians come together in that way and focus on God together! The theme was actually "Together." At the conference we talked about how we are 'together in the home', 'together in church' and 'together in society.' All three are important topics in our everyday lives.

Our intern Emma, has made a preliminary study on children and youth in the Brunnsbo area. As part of her internship she and

Sara met the principal at the Brunnsbo Middle School and were invited to com into the school and help out. Emma is now helping in the 'café/hang-out room' once a week since the beginning of November. The contact with the school is something we prayed for and it's great to see the beginning of a good working relationship.

Aaron and Emma were also invited in the discussion between the area's landlords and the police to talk about how impact Brunnsbo positively. Some in Brunnen are actually working on starting a local

tenants' association. Should be interesting to see how these projects develop. Our passion is to be a part of what is happening in Brunnsbo and NOT just do our own thing.

Thanks & Prayer:

- Pray for the contacts we have in Brunnsbo, that they will develop further and in a natural way.
- Pray that people will come to know Jesus personally.
- Prayer for wisdom in how we are to go forward.
- Thank the Lord that Aaron, Stina and Ruth have now moved into the church planting area!!!

What are you guys doing next?

The Language café has now been inviting people to a Lucia celebration at the home of a member of Fiskebäcks mission church, which we are very grateful for. We will also have a Christmas celebration at Folkets Hus. You are welcome to come Christmas Day at 16:00. It will be simple but will have good fellowship. Next term we hope to have two more interns with us, which will give more people the chance to taste church-planting.
