A lot has been going on here in Ecuador this last year in ministry. Some people may wonder when they give or have given to the Santiago Partnership, what difference it makes. Here is the difference.

The Clinic: Clinica Emanuel

*Completed 7 medical caravans
Attended 3,548 patients
Saw 1,695 patients in the clinic
Dentistry saw 1,057 patients
Through the laboratory 152
patients
Over 150,000 vitamins given
33 different illnesses treated
We will be adding gynecology,
educational workshops and
more specialties in 2018*

The Home: Casa Hogar Emanuel

*Opened in June 2017
Currently there are 11 children
1 child has been baptized and 2
now have a relationship with
Christ.
The children have been
removed from situations of
abuse, neglect, sex trafficking
and prostitution*
