2011 NATIONAL YOUTH WORKERS CONVENTION

Now you can bring your whole team!

We realize money is tight, so we've made some changes. Convention will now end on Sunday. This means cheaper registration prices and one less night in a hotel. Don't worry, we figured out how to get it all in, so you won't miss anything! *The best news is that groups of 4 or more can now attend for as low as \$198 per person!*
